#### BATTLE.NET AUTHENTICATOR CHANGE

Lylirra on Battle.net Authenticator Change ( Source ) To help keep Battle.net accounts as secure as possible, we've recently changed how Battle.net authenticators can be used. Going forward, Battle.net authenticators can now only be associated with one Battle.net account at a time.

## CATACLYSM COMPANION PETS, BLUE POSTS, WALLPAPER

Cataclysm Companion Pets Preview I finally have enough data from the beta to post a decent preview of companion pets introduced in the expansion! This might not be the final list but it's much more impressive than the first one I posted a few weeks ago, I think we had 3 pets back then. And well, you could always visit Warcraftpets , Breanni is nice
